

Leadership.
Experience.
Values.

"I am running to solve the problems our community is facing and to build upon our current successes. I will be an independent voice advocating for fiscal responsibility and transparency. Government should be as efficient as possible, putting your priorities first. Join me on this journey to make the city of Brookhaven stronger and more sustainable for generations to come."

PAID FOR BY BLAKE FOR BROOKHAVEN

Meet Blake Beyer

In his nearly 20 years as a consultant, Blake Beyer has worked with metro Atlanta companies such as AT&T, Coca-Cola, Chik-fil-A, Fiserv and many others to accomplish their growth and transformational goals. Blake's consulting company has been incorporated in Brookhaven since 2013, and his ATM business since 2018.

Blake attended Georgia Tech and earned a degree in Civil Engineering. He returned on a full scholarship in 2004 to earn his MBA. Always being a problem solver, it led Blake into management consulting after grad school.

Blake Beyer grew up in a military family, living in many places, including Alaska, Hawaii, and Italy. It taught him the value of family and to appreciate different people and cultures.

His father served 25 years in the Army, retiring as a Lieutenant Colonel, having earned two Bronze stars in Vietnam. Blake would later serve 7 years as a Blackhawk pilot for the Georgia Army National Guard. Service is in his blood.

Blake is involved in the SHARE program where he hosts a monthly pizza night for veterans who have suffered traumatic brain injury. Blake has been a member of the Buckhead Rotary for the last 12 years.

With his wife Karen, the couple bought their home in Drew Valley in 2007, shortly after getting married.

Together, they are raising their three wonderful children. Matthew and Isabelle are currently at Ashford Park Elementary, and Katherine is at Chamblee Middle. Blake and Karen are both active in fundraising and the PTA.
